Dear Sungwook Kim

Thank you very much for taking the Mensa admission test on the IQ Test in connection with membership of Mensa. Your test has been graded and it gives me great pleasure to advise you that your score puts you in the top 2% of the general population. You therefore qualify for membership of Mensa and I hope and trust that you will now decide to join this international organisation.

Your test has been graded as follows:

IQ Score : 156
Percentile : 99 %

Please attend the orientation of the Mensa!

If you pass the test administered by the Mensa Korea, you can join the Mensa Korea, and participate in various activities held by the Mensa. The person who passed the test can participate the orientation for new members of Mensa to obtain information on activities of existing members, and divisions of the Mensa and SIG through meeting with other members. The Mensa Korea is composed of 6 divisions including divisions for international exchange, education, planning, publication, test and public relations, and about 30 SIG(Special Interest Group) which are similar to clubs. Members of the Mensa Korea can give a support for any division, and can keep the pace with the Mensa Korea by participating in various SIG activities.

The Mensa Korea looks forward to being with you!

Mensans (members of Mensa) often find people belonging to the same class in the Mensa. Members of the Mensa understand well bold idea and strange joke. The attraction of the mensa is the atmosphere in which its members can indulge their passion for something, and quibble over something to their heart content irrespective of what others thinks, and develop unique bond of sympathy. Official events for members of Mensa include MKMG(MENSA KOREA Monthly Gathering), spring picnic, summer MT, athletic meeting and year-end party. The Mensa Korea is a social gathering having characteristics of club. Therefore, only if you voluntarily participate in various activities, you can have significant experiences.

If you pass the test can join the mensa. And only if you pay annual fee for membership, you can get your membership and membership number. Once you get your membership number, you become permanent member of Mensa, and are registered as a member of the Mensa Korea for one year, and can participate in all official events, and get your membership card and Mensa Korea's bulletin published quarterly.
